

New Library Opens In Small Town

Written By Reagan Hess

Mr. Adams, the owner of the new library said, "I am so excited to be able to give students and everyone else in the community a chance to learn new things and enjoy reading the way I do"

On December 5th, Mr. Adams of Smalltown USA opened a free public library. Students and other citizens have already flooded to the library with the hopes of being able to read free books seeing as of recently most people have had to buy books, seeing as their last library was burned in a fire
